

# Online High School Summer 2017 Program

Professional and  
Continuing Education

*Education at your  
fingertips — now  
available year round!*

## Core Courses

Our online program offers various classes in Core Course areas such as:

- English
- Foreign Language
- Math
- Social Science
- Science

## Advance Placement (AP)

Courses are also offered to those students wanting to compete at a higher level.

## All courses:

- Meet A-G requirements
- WASC accredited
- NCAA approved
- All courses are Common Core State Standards Aligned (CCSS)

Most classes can be completed solely online. However, in order to meet the A–G college requirements, students enrolled in a science course are required to meet face to face with their teacher to complete lab work.

**About Our Instructors:** The online instructors employed for this program meet requirements of the No Child Left Behind (NCLB) Act, and provide a high level of student/teacher engagement. All instructors hold current teaching credentials and are trained to teach effectively in an online environment. Instructors are available for office hours one day per week to assist students.

**Student Information:** Each course requires a minimum of 25 hours per week, with five weeks allotted to complete a semester class. Students are required to meet face to face with their course instructor on the first day of class for an orientation and to sign a course agreement.

Final exams are to be completed face to face with the course instructor. **Other arrangements may be considered, using tools such as Adobe Connect and/or any other type of visual communication approved by the instructor.**

All students are encouraged to maintain a notebook with course content notes and notations regarding dates and times of student/instructor interaction.

**Credit:** Students completing any course through this program will receive **high school credit**.

Transferability of credit is determined by each student's school site. **Students must receive prior approval from their school before registering for a class.**

Students can find the approval forms online at [pace.csusb.edu/courses/onlinehigh-school.html](http://pace.csusb.edu/courses/onlinehigh-school.html) or they may use a form from their school site (if available).
